MEET OUR HARDWORKING PHYSIOS AND CONSULTANTS

We prioritize the health and safety of our patients during your PT Sessions by:

- All Physical Therapists wears proper PPEs all throughout your PT Session
- Disinfection and Sanitation of all treatment beds, PT modalities and equipment before and after your PT sessions
- Screening of patients for signs and symptoms of COVID-19 before patient can enter the PT Rehab
- Strict implementation of Social Distancing inside the PT Rehab is observed
- Wearing of Face Masks during PT Session is mandatory to both Physical Therapists and patients

Mga munting paalala para maka iwas sa COVID-19

Ugaliin ang madalas na pag hugas ng kamay gamit ang sabon at tubig o alcohol

Ugaliin ang pag suot ng face mask

Iwasan ang pag hawak sa iyong mga mata, ilong at bibig

Sundin ang tamang paraan ng pag ubo o pag bahing

Umiwas sa matataong mga lugar

Manatili sa bahay at mag isolate kung nakakaramdam ng kahit anong sintomas ng COVID-19
