The Quezon City General Hospital is a tertiary government hospital with a 250 bed capacity that stands on a 3.2 hectare property owned by the Quezon City government situated in the Seminary Road, Barangay Bahay Toro, District I, Project 8, Quezon City. Its mandate is to cater, deliver and promote the health and welfare of the public or to the city and non-city residents.

Department of Anesthesiology

The Department of Anesthesiology was formed in 1973, initially catering to the Department of Surgery and the Department of Obstetrics & Gynecology. The department was granted its first accreditation in 1986 under the leadership of Dr. Ricardo Costes. From then on, the department has continuously been accredited every 3 years and has produced graduates under the successive department heads, Dr. Fe Yabut , Dr. Amelia Manzon, Dr. Agnes Valentino, and Dr. Anne Michelle Salomon, the current Department Head. Currently, the department consists of 12 consultants and 12 residents.
